FY 69 Preliminary Estimates

25X1 The Directorate total estimate for FY 69 is  
25X125X1 6 positions and [ ] higher than the approved  
planning level total of [ ] position and [ ]  
million for the following reasons:

25X1 (a) addition of 6 positions and [ ]  
from other Directorates in FY 68 carried over  
into FY 69, and

25X1 (b) [ ] needed for salaries.

This was caused by a difference in instructions  
for the preparation of planning papers and budgets.  
The planning paper carried no increases for salaries;  
the budget formula calls for an increase of 1% in  
FY 69.
